

## 2026 Zoning Application Submittal Schedule

It is the intent of staff that initial submittals and revisions be returned with comments within 10 working days of receipt of a complete application. **\*However, the complexity of the application may require additional time for review. Zoning cases will be noticed by mail and newspaper for the next available Planning & Zoning Commission meeting when all documents and comments have been properly completed and submitted.\*** [View or download zoning application packets](#)
