ATTEST:

City Clerk, City of Denison, Texas

Exhibit A

CITY OF DENISON, TEXAS
NOTICE OF INTENTION TO ISSUE
COMBINATION TAX AND REVENUE CERTIFICATES OF OBLIGATION

NOTICE IS HEREBY GIVEN that the City Council of the City of Denison, Texas, at its meeting to commence at 6:00 p.m. on February 19, 2024, at its regular meeting place at City Hall, 300 W. Main, Denison, Texas, tentatively proposes to authorize the issuance of interest bearing certificates of obligation of the City, in one or more series, in an aggregate principal amount not to exceed \$57,500,000, for the purpose of paying all or a portion of the City's contractual obligations incurred in connection with (i) constructing, installing, acquiring and equipping additions, extensions and improvements to the City's waterworks and sewer system, and the acquisition of land and interests in land for such projects; (ii) acquiring, constructing, renovating, installing and equipping municipal parks; and (iii) legal, fiscal, design and engineering fees in connection with such projects. The City proposes to provide for the payment of said series (one or more) of such certificates of obligation from a pledge of ad valorem taxes levied and collected in the City as provided by law, and from a limited pledge of surplus revenues of the City's waterworks and sewer system, remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the City's revenue bonds or other obligations (now or hereafter outstanding), which are payable from all or any part of the net revenues of the City's waterworks and sewer system.

The maximum interest rate for the certificates will not exceed the maximum legal interest rate, the maximum maturity date for the certificates is February 15, 2054, and the estimated combined principal and interest required to pay the certificates to be authorized on time and in full is \$108,842,384.

The City currently has outstanding debt obligations secured by and payable from ad valorem taxes (not including \$109,492,950 principal amount of outstanding debt obligations the City has designated as self-supporting debt) equal to \$28,242,050 in principal amount and \$31,245,780 in combined principal and interest required to pay such outstanding debt obligations on time and in full. The City reasonably expects to pay self-supporting debt obligations from revenue sources other than ad valorem taxes, provided, however, that in the event such self-supporting revenue sources are insufficient to pay debt service, the City is obligated to levy ad valorem taxes to pay such debt obligations. The Resolution designating certain outstanding debt obligations of the City as self-supporting for purposes of Texas Local Government Code, Subchapter C of Chapter 271 ("Chapter 271") is available upon request to the City at the address noted above.

The certificates of obligation are to be issued, and this notice is given, under and pursuant to the provisions of Chapter 271.

In the event that the City Council will be unable to meet at the City Hall on February 19, 2024, the City will post on its website, www.cityofdenison.com, information for persons to attend the meeting by telephone, teleconference or other electronic means.
