3. The Finance Officer is hereby authorized and directed to hold executed copies of the Financing Documents until the conditions for the delivery of the Financing Documents have been completed to such officer's satisfaction. The Finance Officer is authorized to approve changes to any Financing Documents previously signed by Borrower officers or employees, provided that such changes will not substantially alter the intent of such documents or certificates from the intent expressed in the forms executed by such officers. The Financing Documents will be in such final forms as the Finance Officer will approve, with the Finance Officer’s release of any Financing Document for delivery constituting conclusive evidence of such officer's final approval of the Document’s final form.

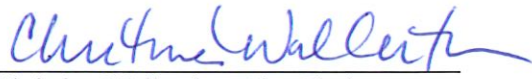

4. The Borrower will not take or omit to take any action the taking or omission of which will cause its interest payments on this financing to be includable in the gross income for federal income tax purposes of the registered owners of the interest payment obligations.

5. The Borrower intends that the adoption of this resolution will be a declaration of the Borrower’s official intent to reimburse expenditures for the Project that are to be financed from the proceeds of the Lender financing described above. The Borrower intends that funds that have been advanced, or that may be advanced, from the Borrower’s general fund or any other Borrower fund related to the Project, for project costs may be reimbursed from the financing proceeds.
