**Denison Public Library
Friends of the Library
300 W. Gandy Street
Denison, Texas 75020**

JOIN Friends of the Library

Modest yearly dues from members help support the library.

Contributions are used to buy books, computers, equipment and supplies for programs, for capital projects and to fund the summer reading programs for children, teens and adults.

The time you give is as important as monetary donations. Friends are indispensable to the operation of the book sales. Volunteers also help out at other Library events.

Benefits to becoming a Friend

Some of the benefits to becoming a "Friend" include:

- Knowing that you are helping to make our public library the best it can be.
- Providing continued support for Denison's children, teens and adults with the tools they need for success.
- Providing a place within our community for new programs and learning.
- Receiving a periodic newsletter by email listing exciting opportunities at the library.
- Attending special Friends' events and programs which connect you with other Friends.
