

Helping Denison Businesses Stay Safe Program

City of Denison 9-1-1 is working towards a 100% accurate database for all our local businesses. To achieve this goal we need all businesses to take part in the Helping Denison Businesses Stay Safe Program, by filling out a short questionnaire. This information will be entered into our 911 system for emergency use only and will be kept confidential.

Any changes or updates will be up to the owner / manager to inform the 9-1-1 Coordinator / Dispatch Supervisor.

Confidential Emergency Information Questionnaire Form WILL NOT BE AVAILABLE TO PUBLIC
