Message from the Chief

I hope this message finds you well. As your Police Chief, it is both an honor and a privilege to serve this vibrant and diverse community. On behalf of the men and women of the Denison Police Department, we are proud to share our 2023 Annual Report with you. This report should give you some insight into the goals and future direction of the Denison Police Department. The information contained within this report reflects our police department's mission and vision to "Serving and Protecting" through our continued efforts to foster community partnerships while preventing and reducing criminal activity.

I am pleased to report a significant reduction in overall crime in our city. In the year 2023, we have recorded a decrease of 24%. This accomplishment is a testament to the dedication of our officers, the support of our community, and the effectiveness of collaborative initiatives. I want to express my sincere gratitude to each and every member of our community who has played a part in making this possible. Your partnership, cooperation, and trust in our police force have been crucial in achieving this significant milestone. Together, we are building a community of choice where safety and well-being are paramount.

While celebrating the success, it is essential to recognize that there will always be areas for improvement. Ongoing evaluations of law enforcement practices, data-driven analysis, and regular feedback mechanisms can help identify opportunities to enhance efficiency and community relations. Our commitment to ensuring the safety and security of our residents is unwavering. We understand the challenges that come with a growing community, and we are actively taking steps to address them.

Moving forward, our primary focus will be on strengthening our community policing efforts. We believe that building strong relationships between law enforcement and the community is key to creating a safer and more secure environment for all. Community policing is not just a strategy; it is a philosophy that guides our interactions and partnerships. We want to work hand-in-hand with you to identify and address the issues that matter most to our community.

We would like to thank our Mayor, City Council Members, City Management, and Partners. Your support has been instrumental in creating an environment that fosters innovation and progress. Your commitment to the betterment of Denison is evident in the policies and initiatives that contribute to our shared success.

I personally want to thank our employees and volunteers for their continued hard work and dedication to this community. When we work together, we help improve the quality of life for all that live, work, and visit Denison. Thank you for your trust and support.

UCR Part 1 Crime Comparison

The Uniform Crime Reporting (UCR) Program generates reliable statistics for use in law enforcement. It also provides information for students of criminal justice, researchers, the media, and the public. The program has been provided crime statistics since 1930. These crimes include homicide, rape, robbery, burglary, aggravated assault, theft, and vehicle theft.

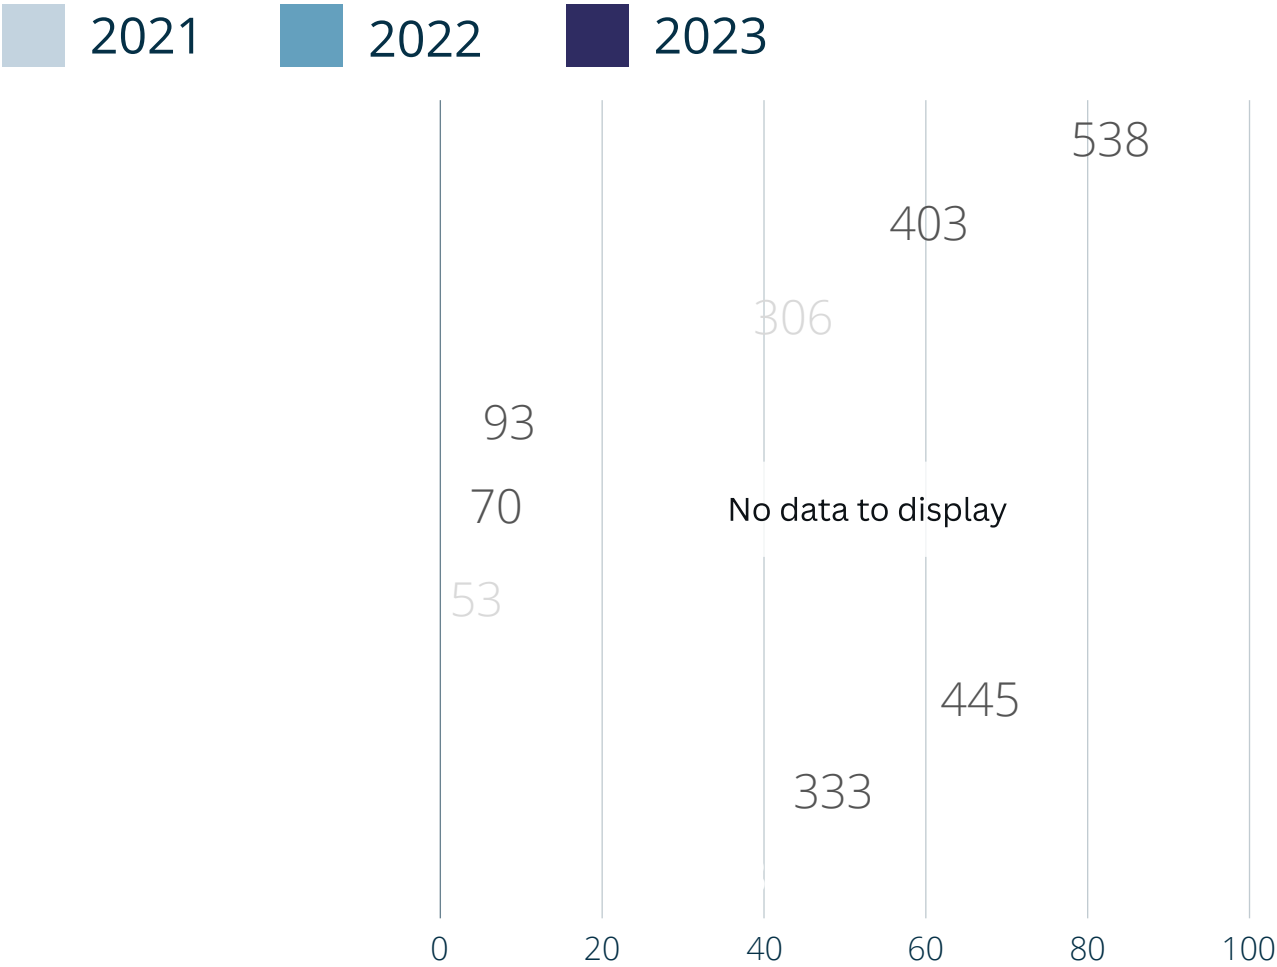

The City of Denison recorded a 24% decrease in overall crime in 2023. Denison’s violent crime rate dropped 25%, and property crime numbers fell 23%.

Several factors contributed to this momentous occasion including the department’s strong commitment to community policing, responsibly aggressive enforcement toward the criminal element, and dedication to building relationships with community members, business owners, and visitors.

National Night Out

For the second year in a row, we submitted for a NNO award. Once again, we are grateful to be competitive in building community outreach. Out of thousands of events, we are proud to say we placed 20th in the nation! We will continue to improve and expand this event, in hopes to place higher in the future.

In October 2023, the Denison Police Department had the opportunity to celebrate with our community for our fourth annual National Night Out (NNO). We saw a record-breaking turnout with over 1,000 people.

What is National Night Out?

NNO is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, and more caring places to live. We strive to enhance the relationships between neighbors and law enforcement to create a true sense of the community. This event provides a great opportunity to bring police and neighbors together. Police departments build community engagement and nurture relationships through games, food, and activities. This last year, citizens had the opportunity to see demonstrations by Echo, our K9, and watch a helicopter landing demonstration thanks to our local AirEvac team.

Why is it important?

We are proud to share that in 2023, our crime rate dropped 24%. We truly believe National Night Out is helping us to continue this trend. By improving our relationship with those in our community, we know it will continue to help lessen crime in our city. We know that for us to be able to positively impact just one life is reason for us to continue this important event.

How do I get involved?

Be sure to stay engaged with our social media and watch for our 2024 NNO scheduled for the first Tuesday in October. You can also find details on our website. It is a completely free event so pick up your friends, family members, and kiddos to join us. We hope to see you there!

DENISON POLICE DEPARTMENT

Citizens Police Academy

The Denison Citizens Police Academy (DCPA) is designed to build understanding between citizens and the Law Enforcement Officers who serve them.

It is the goal of the department to increase police/community relationships and police awareness, as well as dispel suspicions and misconceptions of law enforcement. The classes cover different divisions within the department and are taught by officers and detectives that are directly involved in that division.

Some of the topics covered could include:

- Patrol
- K9
- Criminal Investigations Division
- Firearms
- Communications Operations
- Juvenile Law

Members of the DCPA Alumni Association (DCPAAA) strive to work alongside the Denison Police Department to help keep the citizens of our community safe. They support our officers at local events directing traffic, providing assistance as needed, or simply helping out our department by distributing water during the hot weather months. **This year alone, the DCPAAA has dedicated approximately 850 volunteer hours.**

Shop with a Cop

For over 20 years, the Denison Police Department has partnered with local organizations for Denison's Annual Shop with a Cop including, but not limited to, the Denison Fire Rescue, the Denison Walmart, and the Denison Rotary Club.

Since the 1990s, the Denison Shop with a Cop has been hosted by the Denison Walmart for this Christmas shopping event. We are continuously grateful to be included in such a wonderful event in our community.

Police officers and firefighters strive each and every day to make a positive impact on our local community. Shop with a Cop allows our law enforcement family to have an opportunity to build quality and lasting relationships with local children. During the event, children of all ages received a gift card to purchase items of their choice throughout the store. Officers and firefighters are assigned to a child as a chaperone and companion.

The Denison Police Department and the Denison Fire Rescue are honored to be able get to know and spend time with such incredible kids.
